

# Ratpack Field Archers

April 2014

Editor: Laura Williams, secretary

## Club Championships

The club championships will be on Sunday 13<sup>th</sup> April starting at 10am. All 3 courses will be attempted; NFAS scoring and standard shooting rules apply. Arrows **MUST** be correctly marked. **NO** arrows are to be pulled until all scoring has taken place.

Prior to competition:

- New faces will be put out on Saturday 12<sup>th</sup> April after the shoot.
- 3Ds will be put out on the GREEN course on the Sunday morning (8am onwards).

Tea/coffee/biscuits available as per usual, bring any other snacks you may need throughout the day. If you are available to help with set up the more the merrier, drop us an email to say you will be there.

**Major maintenance day was on Saturday 5<sup>th</sup> March** - Boss replacement/repair, course alterations/tidy up. We managed to get six new bosses reinforced with new wood frames and steel rods; at first glance they seem to do the job - a much sturdier boss. Have a go at shooting at them and see what you think 😊 the aim is to get all bosses reinforced over the summer. We are in the process of placing course direction markers on all three courses; green has been marked up, red and blue are yet to be organised.

New Container delivery: As you know we soon will have new containers delivered (**Date to be organised**). If you are free to help on the day please let Andy/Laura know; we need as many people as possible to help build and move everything to the new containers.

Ladies...: If you know any women who would like to join Ratpack or would like to meet a friendly face please point them in my direction...

Some club members have expressed their concerns regarding Ratpack's lack of a safety and an equipment officer. What are your views? Drop me an email or grab me for a chat...

Dearest **SMOKERS**,

Can we please be mindful of where cigarette butts go once you have finished smoking, we do not want any unnecessary BBQ'S over the warm summer...

An ashtray will be coming your way at the container very soon...

# Committee Members

Chairperson: Gary Snook

Secretary: Laura Williams

Vice Chairperson: Jim Williams

Treasurer: Andy Millard

Executive Officer: Jon Hill

Executive Officer: Colin West
