

Ratpack Archers Newsletter February 2023

Kevin Cunningham

It is with great sadness that we have to report that the body of Kevin has been found.

The club has passed on its sympathies to the family on behalf of all members. Those who knew Kevin will always have fond memories and stories about him.

In accordance with his wishes and beliefs, there will be no funeral

Flooding

Both the bottom of Red and Blue Courses are flooded. Although it has not rained for a while the water level is still rising. If you see any targets at risk of floating away, please contact a committee member immediately. And they wanted to build a road through there.

NFAS Rule Changes

If you wish to vote on the rule changes proposed at the AGM your papers must be in by 25th February. Proposals and voting papers can be found either in the NFAS Newsletter or on the website

You can only vote on the proposals if you shoot in the categories affected.

SUBS SUBS SUBS SUBS SUBS SUBS

It is that time of year again. Both your NFAS and Club Subs must be paid by the 31st March, If you have not paid you will **NOT** be allowed to shoot.

Please pay the NFAS subs first before you pay Ratpack subs

To save on club funds, instead of posting out your Ratpack Membership Card, they will be pinned on the inside of the door or the Green Shed.

Moan of the Month

If you move a target to look for an arrow, please place it back in its original position. There have been many occasions when archers have gone to shoot a target and not been able to see it because it has been put back wrong. Once you have replaced a target go back to the shooting pegs to ensure it is in the right place

Upcoming Shoots

12th March – Company of 60
