February 2017

If you have any large hessian sacks that you no longer use and are willing to donate them to the club please see a committee member

AGM

The AGM will be held on Friday 24th February at 1900 in the Oystercatcher, Yapton Rd, Climping BN17 5RU

Our newest 3d target

The GREEN course has been re-designed. Peg No 1 is in the same place, but please make sure you follow the direction arrows. This will ensure that you do not end up walking in front or behind another target. Any problems contact Andy or Peter

***Subs are due **BEFORE** the 1st April. Preferably in cash
REMEMBER you cannot re-join Ratpack until you have your new 2017/2018 NFAS card.***

You can renew your NFAS card online at www.nfas.net

The Ratpack form can be downloaded from our website

A lot of chocolate wrappings have been found lying around the courses. Please take your rubbish home with you. Also, if you break an arrow, please collect as much as you can find of it and dispose of it at home. If it is a wooden arrow you may put it in the fire drum where it will be burnt.
