

Ratpack Archers Newsletter June 2017

REMEMBER

**ALL COURSES WILL BE CLOSED FRIDAY 9TH JUNE
FOR A FLORA AND FAUNA SURVEY**

**Did you see the
Woodpecker
nesting behind
target 2 on the
Green course**

**We had two small target faces
stolen (including the target pins)
from the Green course last month.
If you see any strange people or
things happening, please contact
a committee member immediately.**

**We currently have 42 members, with
some more expected to join soon.**

*Eight members turned
up for the first of four
rounds of the Club
Champs. Next round
is Saturday 26th
August when we will
also have a BBQ.
Remember you only
have to shoot two of
the four rounds to
enter the Champs.*

**Have you noticed the new targets on
the red course ?**

**14 members of Bognor Regis Archery Club joined us in May
for their annual visit. This provides much needed funds for
Ratpack to purchase new targets and equipment.**
