

Ratpack Archers Newsletter October 2022

Ratpack goes Green

We have fitted guttering and a water butt to the cover.

However, we do not know what to do with the water collected. So far suggestions have been flower planters around the containers, or a vegetable plot.

Any other sensible suggestions would be most welcome.

Spare Targets

We have a large selection of spare targets that we can use.

If you find a target that is damaged or broken on any of the courses, please

let Paul or any other committee member know so it can easily be replaced.

It may have been a while since we have shot a particular course so we may not have spotted it ourselves.

Upcoming Local(ish) Shoots

October

16th Company of Sixty

16th Purbeck Jurassic Shoot

23rd Bridge Woods

November

None

December

4th Company of Sixty Mince Pie Shoot

18th Ratpack Xmas Shoot

27th South Wilts Not the Boxing Day Shoot

Course Closures

Keep an eye out for an email from the course designers who will need help one weekend to re-design blue course. They will be moving some targets on the other courses as well. Some targets will be replaced so that they can be repaired / painted.

All courses will be closed for the weekend.

Alan Puddick

It is with sadness we have to report the death of Alan Puddick.

He was a long time member of the club and will be very much missed.

Our thoughts go out to his family at this time.

Table Top

You may have seen the new stainless steel table top we have fitted. It is easier to keep clean than the original wood one.

Do NOT cut, chop, dice or slice on it.
