There are two BBQs coming up, 04.06.2023 and 17.09.2023. If you are attending the 04<sup>th</sup> June BBQ you should have let Andy know by the 28.05. **The deadline for the September BBQ is 10.09.2023.**

A solid spider wound by Dave Terry!

**A big Congratulations to Kim Lea for shooting a whopping 700, and taking the Gold Medal in Ladies HT at the NFAS 50<sup>th</sup> Anniversary shoot last weekend, some great shooting!**

### Ticks

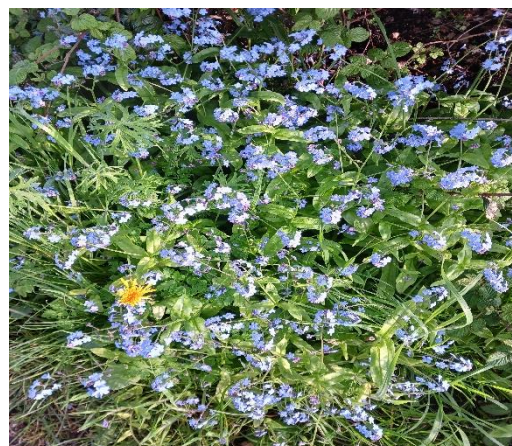

There are a couple of people who have reported finding ticks, so be on the lookout and be sure to take preventative measures, such as trousers, long sleeves and insect repellent.

Spring is in full swing!  
And with the warmer  
weather there are  
more and more  
lovely wildflowers  
appearing, so please  
keep to the paths  
between targets  
where possible to  
avoid trampling  
them.
