

Ratpack Archers Newsletter August

Up and coming shoots Corvid 19 dependent:

**September,, Company of 60
October,Company of 60**

**Surveys of the wood imminent, will let you know
what's happening when I know what's happening.**

If anybody has any old quivers they do not want and would like to donate to the club for Induction events, please leave them in the green wooden shed.

We held an Induction event on Saturday and will also hold another one next Saturday. Red 15 is safe to shoot, it is only taped off for these two events and can be shot if not in use. Tape will come down after 2nd event. Thanks to all of those who helped yesterday and those down to help next Saturday.

Club BBQ on hold as lock-down may be reintroduced due to northern spike in C19.

News pretty slim at the moment, keep well.
