Newsletter
December 2020

All shoots at this time are on hold.

Thanks to Nigel for running the club competition on Green. Results were emailed out and posted onto the shed noticeboard. Nigel has confirmed that he will run this again probably in the spring.

Road news stands at this time that the grey route has been selected which does not go through our woods. But it still has to go to consultation, planning and finance. All these stages need approval before we are safe.

In the spring I will run a course laying course. I know there are some that can do this and some that want to learn. My plan is to run it over 2 days one weekend. This will involve closing red or blue course. I will avoid any local shoots as many will want to attend these after this years lock-down restrictions.

The club was 22
in November.

■ Enjoy your
■ Christmas.
■ Drink enough,
■ eat too much and
■ have a good laugh.

■ Andy
