

Ratpack Archers Newsletter June 2021

Hi all, this newsletter has a lot of content but not much detail. I will inform you of the detail as it becomes available.

Up coming away shoots: Magna Carta 24th July, Holmbush 31st July & 1st August, Fleet IbeX 15th August.

We have 70 members with at least 6 more in the pipeline.

BLUE course has been relaid and to date I have heard nothing but compliments. So well done all those who took part.

GREEN course is now open with the tree felling done, thanks to all who helped. GREEN has also been tweaked and some repairs done, thanks to those who helped.

Tarpaulin Days 12 & 13 June start 09.30. Help required.

AGM, BBQ and Club Champs 20th June let me know if your coming as I need to do a food shop. Round will be Big Game, we will shoot 15 red targets on RED, 15 blue targets on BLUE and 15 white targets on GREEN.

I am in the process of obtaining a lease for the woods at the landlords request. Hopefully I will have the details by the AGM.

Road and surveys has gone quite but that just means nobody wants anything at the moment.

After the lease & tarpaulin are sorted, I will look at moving the practise butt to the laurels out of the ditch that now floods and purchasing more backstops and targets.

Stay well, enjoy your shooting. Andy
